an email: sales@bluescreenit.co.uk

BIT ELCAS PLUS

TRANSFORM YOUR ELCAS WITH OUR
TAILORED-MADE PACKAGES

**Choose first course from our ELCAS funded course
list**

**Add a second course to build your ideal IT or Cyber
career path**

**Choose how you want to learn between remote and
classroom led delivery**

Select payment plan for your additional options

Make huge savings against our RRP prices and create your own bespoke training plans, giving you the advantage during your resettlement process. Become certified in the courses that you want.

STEPS TO BOOK

1. Select your ELC course and use your ELCAS to cover the cost.
2. Select either a Bronze, Silver or Gold package at the time of booking.
3. Once a package has been selected, choose which course you would like to add.
4. Choose payment option for additional course. (ELCAS cannot be used to cover this cost but IRTC can).
5. Contact our booking team to secure your place, then sit back, relax and look forward to training with us.

ELC COURSE OPTION

CompTIA CASP+
RRP £2500

How much do I pay? Here is an example...

Book CompTIA Network+ course using ELC @ £2100

ELCAS covers £2000 (80%), you cover your 20% personal contribution = £420

Utilise your £534 IRTC - £420 = Leaving you with £114 IRTC remaining

Bronze package selected - Security+ added at £600 cost

£600 - £114 (remaining IRTC) = £486 to self fund
